Friday 20th March

Dear parents,

School closes at the end of the day today until further notice.

A small number of children may continue to attend school from Monday as their parents are designated by the government as key workers. We are in contact with these families. Unless you have been contacted by school you must not attend from Monday.

Please find below a link to our online learning platform, DB Primary:

<https://shincliffe-durham.secure-dbprimary.com/service/util/login?path=/durham/primary/shincliffe>

Here you will find resources that will support your children's continuing learning whilst the school is closed. These will support and supplement the printed resources sent home with the children on Wednesday. It is intended that class areas will be updated weekly on a Friday with additional class resources. This of course depends on levels of staff illness and our capacity to respond to the ongoing situation. Please remember that the focus for school staff is now providing care for the children of key workers in order that critical services can continue.

The school email address: shincliffece@durhamlearning.net will be monitored and can be used for any **urgent** queries. Again, this is dependent on staff availability and there may be a delay in our ability to respond. The School Office will be closed so please do not telephone us.

For updates, please continue to use the dedicated Coronavirus section of the School Website:

<http://www.shincliffe.durham.sch.uk/parents/coronavirus-update/>

Once again, I thank you for your continued support during this difficult and unprecedented time in the life of our country.

With our very best wishes

Mr Tait and all the staff at Shincliffe CE Primary School.
