Dear Parents/Carers, children

Firstly, I would like to thank you for your continued support during this time. We are grateful to the many parents who have expressed their appreciation for the efforts of the staff to continue to provide an essential public service and support our children. Your kind words have been heartening.

Staff have worked hard to compile a variety of activities for you to do with your child, in the event of an emergency school closure. Today a pack was sent home with printed resources. These are sufficient for two weeks' worth of work.

The minimum we would like you to do would be to read with your child each day and encourage them to complete the activity pack as you are able.

As well as the printed resources we have provided for the children to complete, look out for websites offering help such as:

www.classroomsecrets.co.uk

www.twinkl.co.uk

<https://www.topmarks.co.uk/maths-games/hit-the-button>

which offer some further activities.

If you wish to do anything additional, further information will become available via the school website in the event of a school closure. We will keep you updated.

I will keep you updated by letter and text message.

I reiterate that the school remains open.

Yours sincerely,

Mr D Tait
Headteacher
