Nativity update

Dear Parents,

Earlier this week, in order to keep pupils, staff and the wider community safe, we had to cancel live performances of the nativity after receiving advice from Public Health. We didn't want the children or parents to miss out on this experience and so we have been able to record a performance of the Nativity and you can find the KS1 Nativity video on your child's class page on DB Primary. Children in KS2 will have the opportunity to watch it in class during the week.

The password to access the video is: Nativity2021

You can also access the performance by clicking on the link below

My thanks go to the EYFS and KS1 staff for helping to put this together and to the children for doing a great job in retelling the Christmas story. If you have any difficulties accessing the video then please do contact the office staff and they will be able to help with this.

Yours sincerely

Mr P Rumbles
