

Reception News

Spring 1 week 1 - 7th January 2022

What have we been learning?

- ◆ This week we have been enjoying exploring our new areas inside the classroom which are linked to our “Frozen” theme for this half-term. We have especially liked dressing up inside our role play “Frozen Castle” and playing with Elsa, Anna and Olaf in the Frozen Duplo.
- ◆ In our Phonics sessions this week, we have been recapping all of the graphemes and tricky words which we learned during our first term in Reception Class, ready to begin learning some new digraphs next week.
- ◆ We have been counting and ordering numbers in our Maths group time sessions. Firstly we ordered the numbers by ourselves from 1-10 and then from 11-20, the latter was slightly trickier but we are getting there. We have also been learning to write the number 14 correctly with the help of “Episode 14” from the “Tia Ten Show” on Ten Town.

Making Snowflakes

Having fun dressing up!

Homework

Literacy

- Reading books - *Please write us a comment every week to let us know how your child manages with their reading books at home. We really do value your comments.*
- Sight words - a new set of “tricky words” will be sent home next week.

Maths

Practise forming number **14** (in the Yellow Book and on the Ten Town website) and recognising teen numbers, especially those from 11 to 20. *Can your child recognise and order these numbers independently?*

Thank you!

A HUGE thank you again for all the good wishes, cards and presents we received from the children before the holidays. This job is very rewarding, but your kind words and gifts are much appreciated by both of us.

We hope that you all had a peaceful and restful Christmas.
